Occupation

Politician • actor • comedian

Signature

Volodymyr Oleksandrovych Zelenskyy ([Ukrainian](#): Володимир Олександрович Зеленський; born 25 January 1978) is a Ukrainian politician, screenwriter, actor, comedian and director. He is the [President of Ukraine](#) since 2019.

Zelenskyy played the role of [President of Ukraine](#) in the hugely popular 2015 television series [Servant of the People](#).^[1] The political party [Servant of the People](#) was created in March 2018 by people from the TV production company Kvartal 95 who also created the TV series of the same name.^{[2][3]}

Zelenskyy ran for president as a [populist](#) and anti-[corruption](#) candidate in the [2019 election](#). He defeated [incumbent](#) President [Petro Poroshenko](#) in a [landslide victory](#), winning 73.2% of the vote.^{[4][5]}

Early life

[[change](#) | [change source](#)]

Zelenskyy was born 25 January 1978 in [Kryvyi Rih, Ukrainian SSR](#) in a secular Ukrainian Jewish family.^[6] His father, Oleksandr Zelenskyy, is a professor at the Kryvyi Rih Institute of Economics. His mother, Rymma Zelenska, worked as an engineer.^[7] Before going to school Volodymyr lived for four years in Mongolia where his father worked at that time.^[8]

Zelenskyy earned a law degree from the Kryvyi Rih Institute of Economics. He fluently speaks Ukrainian and Russian.^[9]

Acting career

[[change](#) | [change source](#)]

In 2008, he starred in the feature film *Love in the Big City*, and its sequel, *Love in the Big City 2*. Zelenskyy also played the main role in the movie *Office Romance, Our Time, Rzhevsky Versus Napoleon, Love in the Big City 3, 8 First Dates*, etc.

In 2015, Zelenskyy became the main actor of the popular Ukrainian television series *Servant of the People*, where he played the role of the President of Ukraine.^[10]

Zelenskyy also [voice dubbed Paddington Bear](#) in the Ukrainian language settings of [Paddington](#) and [Paddington 2](#).^{[11][12][13]}

Presidency

[[change](#) | [change source](#)]

Zelenskyy was the [front-runner](#) in the [2019 Ukrainian presidential election](#). Six months before he announced his candidacy on 31 December 2018, he was already one of the frontrunners in opinion polls for the election.^[14]

In September 2019 it was reported that U.S. President [Donald Trump](#) had pressured Zelenskyy during a July phone call between the two Presidents to investigate alleged wrongdoing by [Joe Biden](#) and his son [Hunter Biden](#).^[15]^[16] This led to the [Trump-Ukraine scandal](#) and the [impeachment inquiry against Donald Trump](#) which would result in Trump's [impeachment](#).

During 2021–2022, Zelenskyy's administration faced [intense tensions](#) with [Russia](#) and [President Vladimir Putin](#). This led to the launch of an [ongoing full-scale Russian invasion in February 2022](#). Zelenskyy's strategy during the Russian military buildup was to calm the Ukrainian population and work with the international community that Ukraine was not going to fight back.

[17] At first, he distanced himself from warnings of a future war, while also wanting security guarantees and military support from [NATO](#).^[18] After the start of the invasion, Zelenskyy declared [martial law](#) across territory of Ukraine.

Zelenskyy became well known around the world during the invasion as the wartime leader of Ukraine. He has been compared to [Winston Churchill](#).^[19]^[20]^[21]^[22]^[23]^[24]^[25] He is seen as a [national hero](#) or a "global hero" by many political commentators and newspapers.^[26]^[27]^[28]^[29]

In December 2022, Zelenskyy along with the [Spirit of Ukraine](#) were named [Time Person of the Year](#).^[30]

Personal life

[[change](#) | [change source](#)]

In September 2003, Zelenskyy married [Olena Kiyashko](#). They have one daughter and one son. Zelenskyy's first language is [Russian](#), and he is also fluent in [Ukrainian](#) and [English](#).^[31]^[32] His [net worth](#) is about 37 million hryvnias (about US\$1.5 million) in 2018.^[33] According to Forbes Magazine dated April 21, 2022, in an article titled "President Zelensky is not a billionaire. So how much is he worth?" Zelensky was worth roughly \$20 million, based on reporting by Forbes Ukraine. *Additional reporting by Forbes US puts that number at less than \$30 million.*
