

Grand Forks International Airport

The **Grand Forks International Airport** is an airport that performs service for the [Upper Midwest](#) and is based in [Grand Forks, North Dakota](#). The GFK does not have scheduled [passenger](#) airline service for leaving the [United States](#), though gets its international title because it carries customs services for general aviation [aircraft](#) arriving from [Canada](#) and from certain other countries.

This [short article](#) about the [United States](#) can be made longer. You can help Wikipedia by [adding to it](#).
